

# User Documentation

## Login

The following diagram shows the login form. For the Login form they are 3 type of users which are administrator, student and security guard.

## Student Panel

After the user has logged in with their provided credentials they can be redirected to Student Panel, Admin Panel and Guard Panel. The 3 image's below shows the student panel which contains 3 features which are, Add a report, view notice's added by the administrator and also to view their profile:

The screenshot displays the 'UB CAMPUS SAFETY' web application. On the left is a dark blue sidebar with three icons: a document, a person, and a left-pointing arrow. The main content area is light gray and features a central white card. The card has a purple and yellow shield logo with a keyhole and the text 'UB Security' below it. Under the logo, there is a 'Submit Anonymously' checkbox and a 'Type of Incident:' label above a text input field. On the right side of the page, a white notification box contains three notices: 'Academic Notice 2023-2' (dated 2024-04-01), 'Academic Notice 2024-2' (dated 2024-04-01) with the text 'Exam are starting soon...', and 'Open Day' (dated 2024-04-03) with the text 'welcome to open day today, relax and enjoy'.

## Admin Panel

If the user log's in with administrator credentials then they will be redirected to the Admin Panel. The Admin Panel contains 5 features which will be shown in the images below. These 5 feature that the admin have access to are the: add notice, add user, view report, view log and also to view their profile.

The image displays two screenshots of the 'UB CAMPUS SAFETY' Admin Panel. Both screenshots feature a dark sidebar on the left with icons for notifications, users, reports, logs, and a back arrow.

**Top Screenshot: User Profile**

The top screenshot shows the user profile page. It features a circular profile picture of a person with brown hair and a black face mask. Below the picture, the following information is displayed:

- First Name:** Alex
- Middle Name:** Humberto
- Last Name:** Peraza
- Date of Birth:** 2003-03-12
- Gender:** Male

**Bottom Screenshot: Add Notice Form**

The bottom screenshot shows the 'Add Notice' form. It has a title 'Add Notice' and two input fields: 'Title:' and 'Message:'. Below the 'Message:' field is a blue 'Submit' button.

## Guard Panel

The last type of user that can use the UB campus safety app is the security guard. When the user log's in with their guard credentials created by the administrator they can access 4 features that will be shown in the images below. These 4 features are to add a report like the student panel, also to submit a check-in / check-out form, also to view reports like a administrator and also to view their profile.

The image displays two screenshots of the UB Campus Safety app interface for a security guard. Both screenshots feature a dark blue header with the text "UB CAMPUS SAFETY" and a dark blue sidebar with icons for calendar, document, profile, and back.
